

The Sovereign One has designed your place and part in His plan. So don't rest until He gives you complete rest.

I. God is sovereign. (5-7)

II. The Word of God doesn't change. It changes us. (8-12)

Holy lives: purified and refined.

III. Faithfully serve God where He places you, knowing that rest is promised. (13)

How does this apply to me?

For next week: Read Revelation 7: 9-17
