

Mosaic Schedule of Activities for 2022
The Lord Willing

March 18 (Fri) – Bill Gaither Vocal Band

The national-renowned Bill Gaither Vocal Band will be visiting a church in Clarkston; we will go and enjoy their inspirational music. A meal at the church (catered by Bob) will precede the concert. (\$52)

April 6 (Wed) – Meadowbrook Theater with Lunch

We will travel to Rochester Hills to take in a play, *Ladies in Lavender*, a comedy/mystery about two older English sisters who take in a stranded Polish violinist. Lunch at Buddy's Pizza – plenty of pizza and salad. (\$55)

June 3 (Fri) – “Blockbuster” DSO Concert and Lunch

We will enjoy a 10:45 performance of our wonderful Detroit Symphony. The program is called “Summer Blockbusters” – featuring some of the best music from top-grossing summer movies of all time, including *Aladdin*, *Gladiator*, and *Raiders of the Lost Ark*. Lunch on your own at a unique sandwich shop. (\$55)

August 11 – 13 (Thurs – Sat) – Shishewana Shows, Shops and Sustenance

We'll spend three days in Shishewana, Indiana enjoying good meals (sustenance), as much shopping as you desire, and two outstanding shows. One of the shows is a play entitled *Dear Soldier Boy*; the other is a full concert by the amazing and spiritually uplifting **Collingsworth Family** (with great seats to watch Kim Collingsworth pound that piano). (\$375)

September – Historic Church Tour

The date is yet to be determined and visits are tentative depending on COVID, but we hope to visit several historic churches. More info later.

November 9 (Wed) – Van Gogh in America Exhibit

In 2021, Mosaic attended the “Beyond Van Gogh” exhibit at the TCF Center which, through digital technology, felt as though we were walking into the paintings. This year we will be able to see actual Van Gogh masterpieces at the Detroit Institute of Arts. Lunch on your own at the museum café. (\$30).

Transportation is provided to all activities and is figured into the price.

Princes are tentative and subject to change

You will be given full information and registration materials about each event well in advance of the activity.
